

COLOR  
PLAY

***Il presente come risultato di una lunga storia fatta di passione e di energia:***

*negli anni Veneta Sedie si è affermata nel proprio settore con prodotti di alta qualità e attraverso le proprie competenze tecnologiche, logistiche e produttive.*

***Un'azienda, una grande famiglia: Veneta Sedie è unione, armonia, relazioni.***

*Sceglie di continuare a produrre in Italia per mantenere la qualità e l'innovazione che da sempre la contraddistinguono e di investire nella sua risorsa più importante: le persone.*

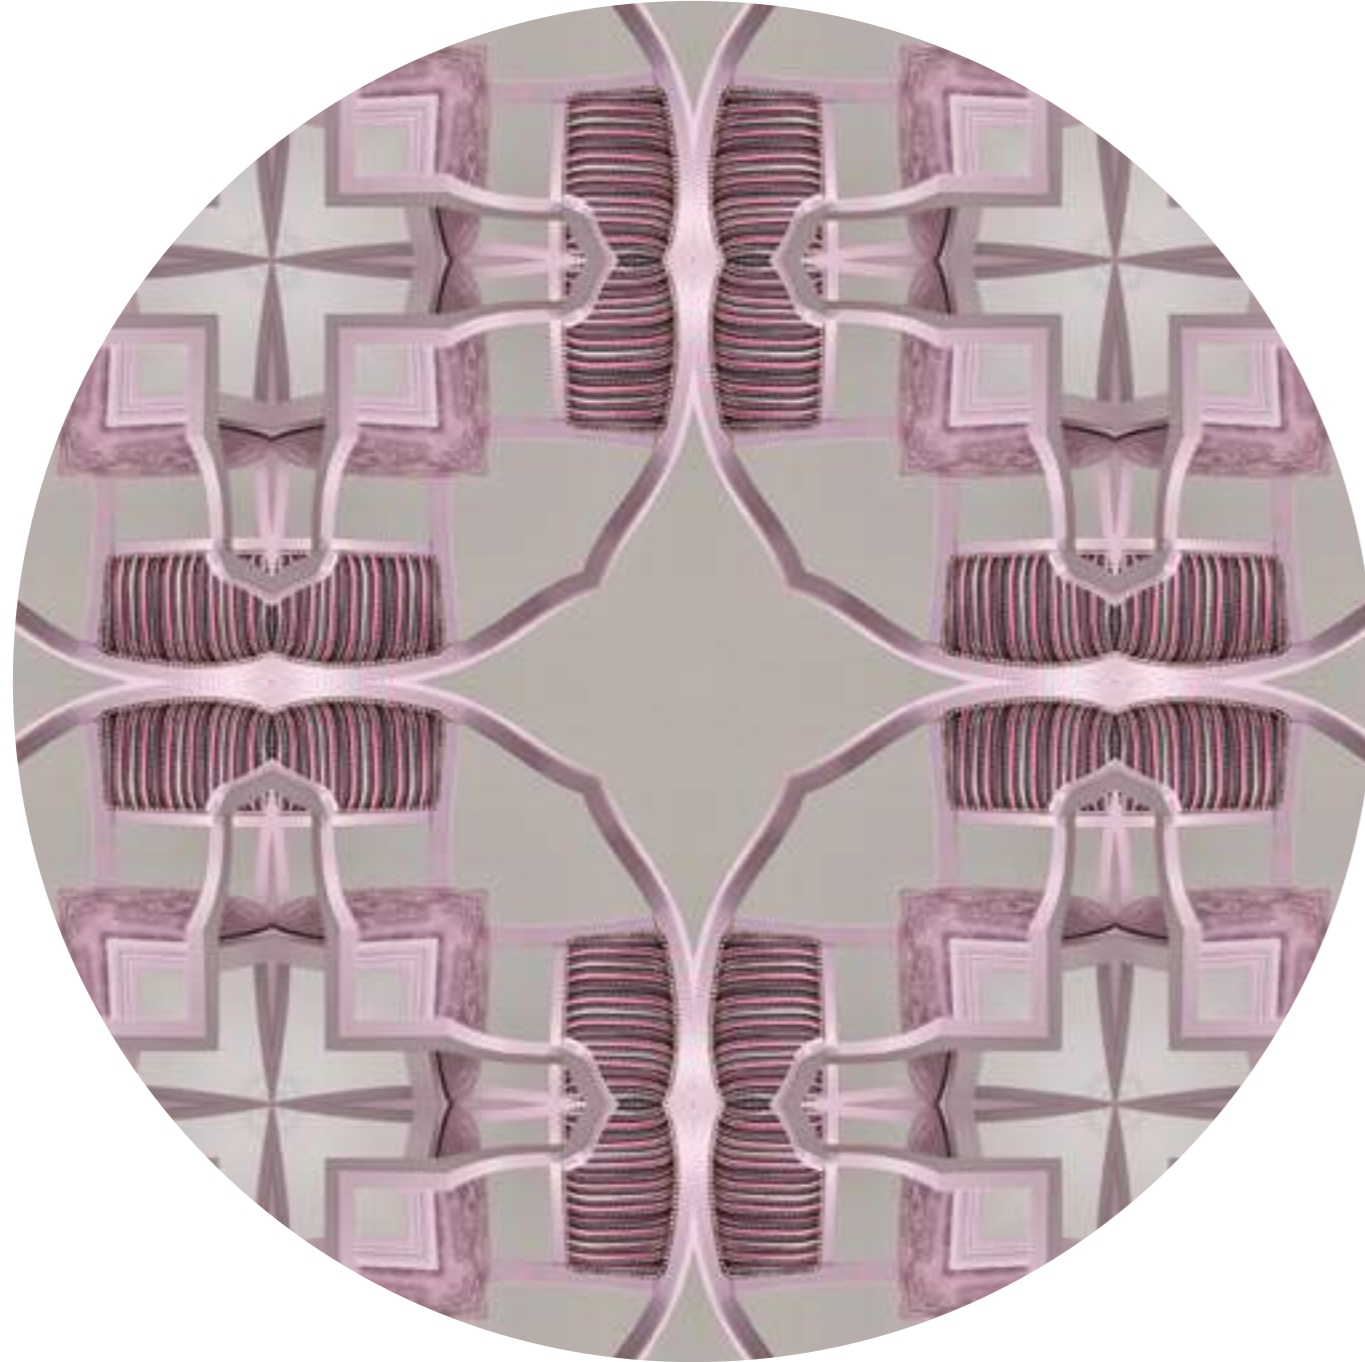

***The company's long history of passion and energy shaped its present:***

*during the years Veneta Sedie established itself through quality products and through its technological, logistical and productive know-how.*

***A company, a family: Veneta Sedie is cohesion, harmony, relationship.***

*The company chooses to keep its production in Italy, in order to maintain control over the quality and innovation that have always distinguished its work, and to invest in its most precious resource: people.*

*Il lieve scricchiolio di rami risuona nell'aria ad ogni passo, la luce più coraggiosa si inoltra e trafigge il garbuglio di foglie, tratteggia di ombre le cortecce brune, infuoca di colori il terreno umido. Un piccolo bagliore lontano cattura lo sguardo: tra i rami di un grosso abete una ragnatela sfoggia geometrie di sottilissimi filamenti e piccole gocce, lucenti come perle, che ne ornano ogni intreccio.*

*Gli occhi si perdono ad indagare il minuscolo e nascosto con curiosità viva, le orecchie sono tese a scrutare i movimenti veloci di piccoli animali, il profumo di resina e ciclamini si fa inebriante. Un luogo colmo di verità da scoprire, di segreti da annusare.*

### ***Giochi di forme e colori, equilibri di moderne geometrie***

Rompere gli schemi, giocare con gli stili: Color Play è *glamour* vivace, un mood fresco e dinamico caratterizzato da contrapposizioni inedite.

Le forme classiche incontrano tessuti cangianti e pattern esclusivi, i motivi floreali si fanno stilizzati e contemporanei, le finiture esaltano i colori vividi e le fantasie geometriche.

L'autenticità di un'estetica istintiva, di un'espressione spontanea.

*The sound of creaking branches resonates at every step, the bravest sunlight penetrates and spears the tangled leaves, shading the dusky barks and igniting the humid ground with warm colors. A small, distant glare catches the eye: between the arms of a large spruce a spider web flaunts its geometries of thin fibers, while tiny drops, glossy as pearls, ornate its intertwinements. A vivid curiosity guides the eye, captured by examining everything minuscule and hidden, the ears are directed to the movements of quick animals, the scent of resin and cyclamens becomes inebriating. A place of truths to unveil, of secrets to sense.*

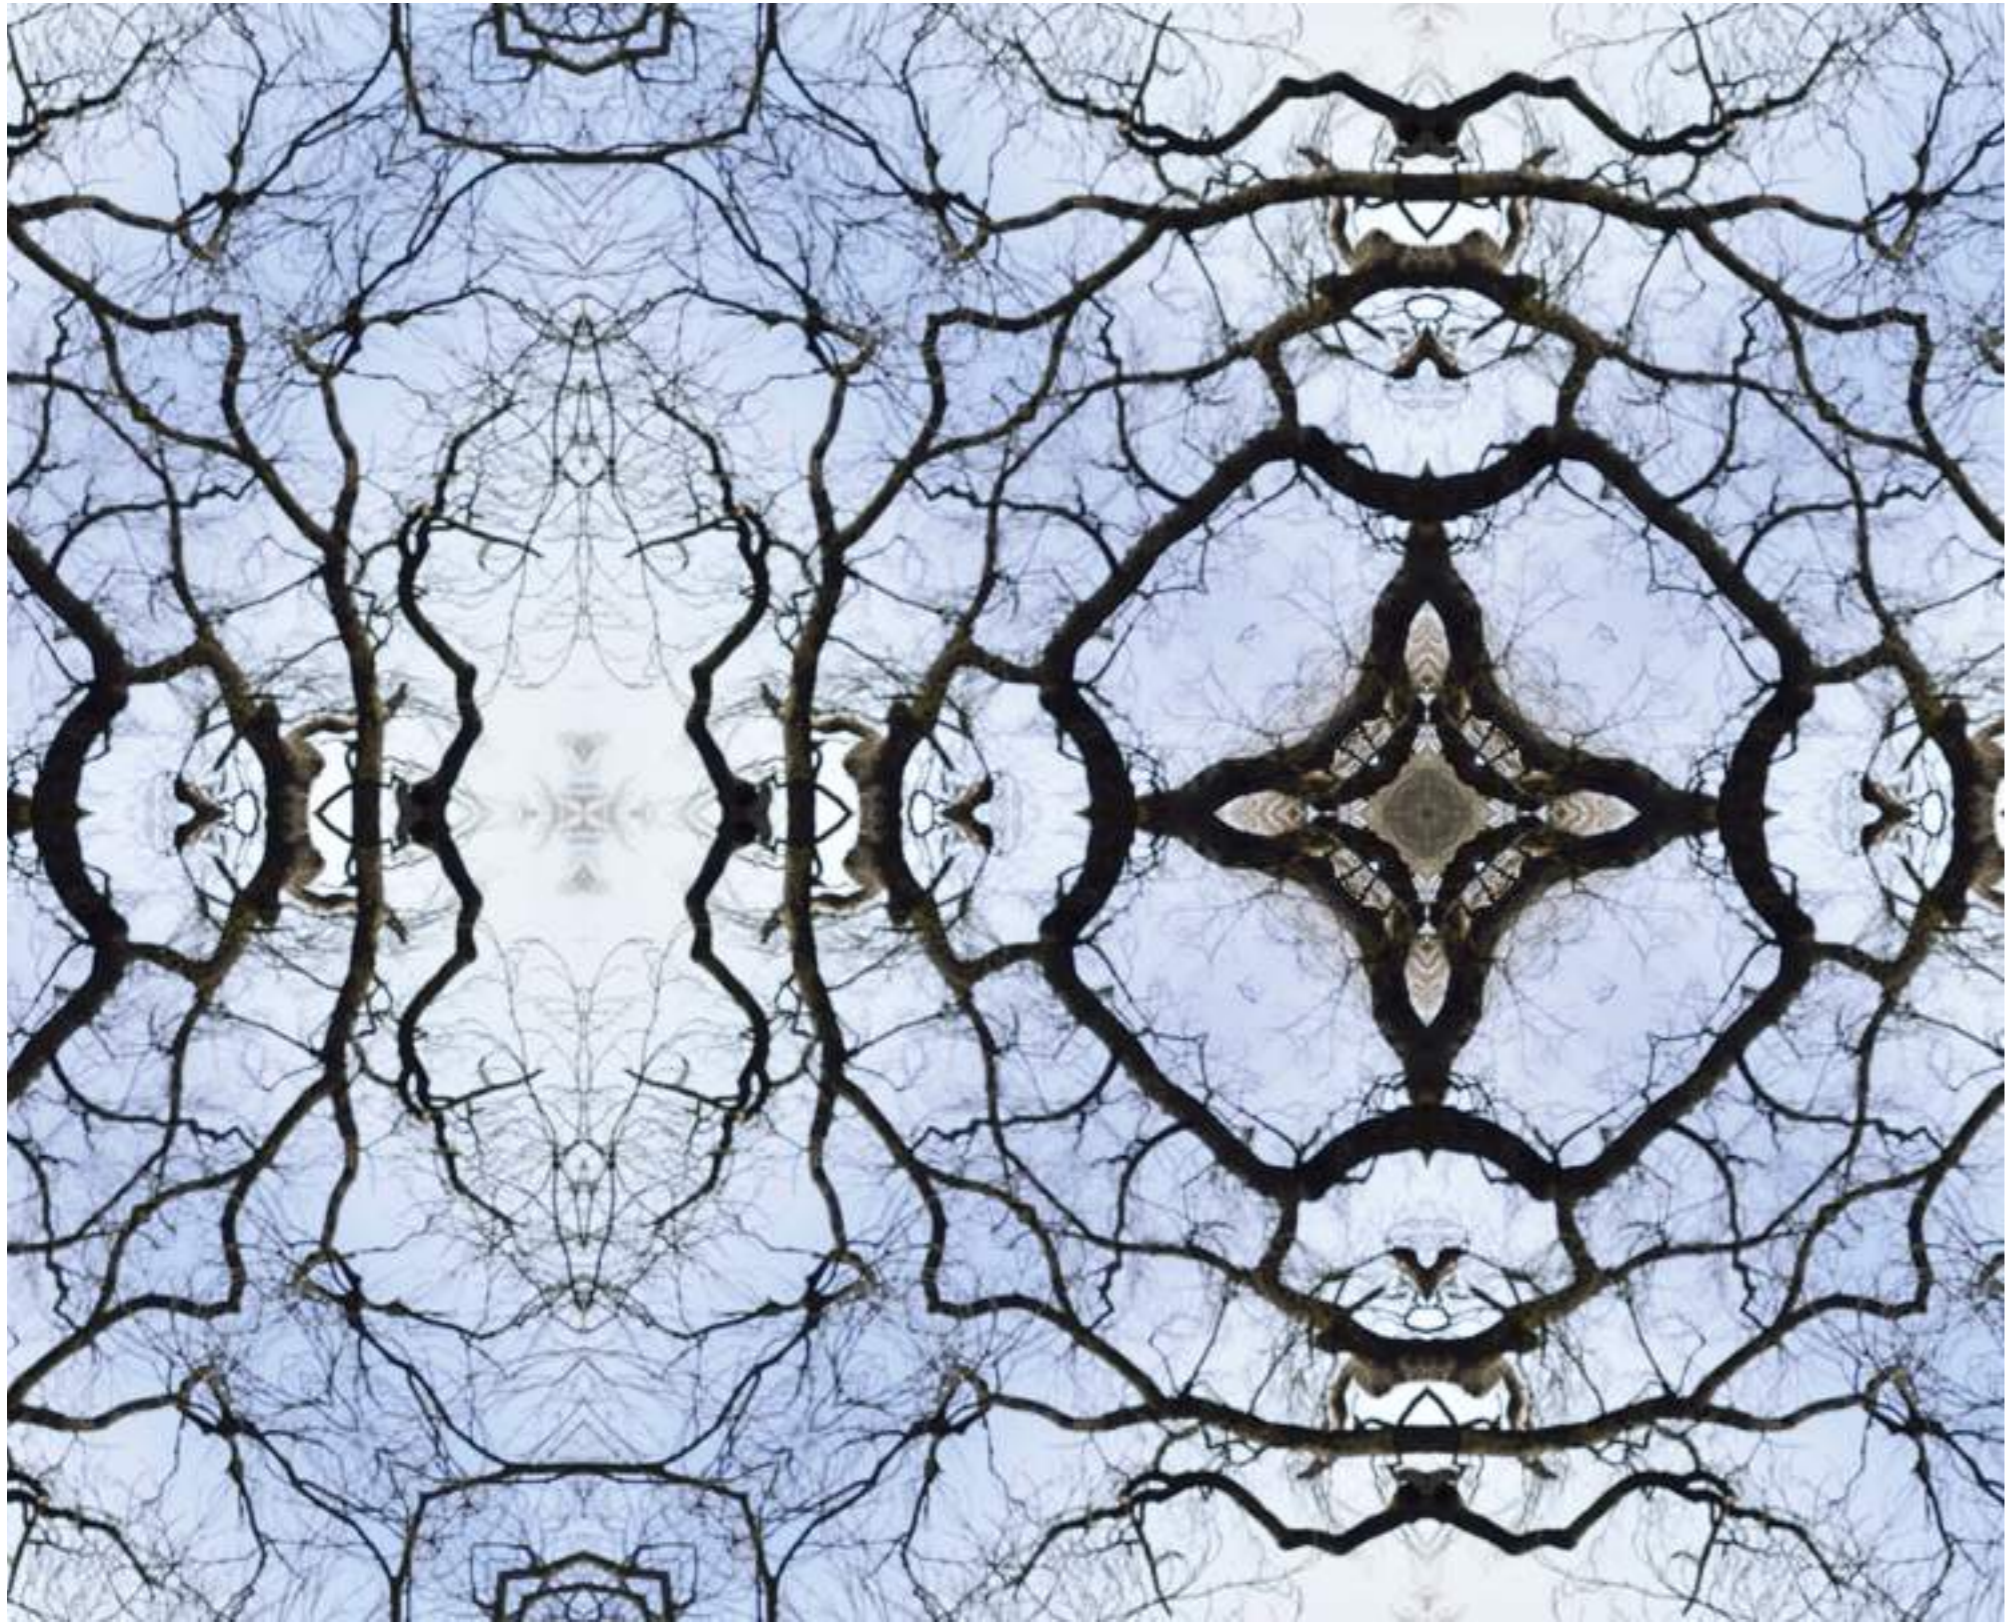

### ***Games of shapes and colors, balance of modern geometries***

Breaking the old standards, playing with styles: Color Play is lively *glamour*, a fresh and dynamic mood characterized by innovative contrasts.

Classic designs meet iridescent fabrics and exclusive patterns, floral prints become stylised and contemporary, finishings enhance the vivid colors and the geometric patterns.

The authenticity of an instinctive aesthetics, of a spontaneous expression.
