BOTTOM ROW The 1960s fabric document on which *Sita* was based. *Sweet Williams*, the original fabric document from 1938. *Hollyhocks*, the original fabric document from 1937. *Beechgrove*, the original wallpaper document from the Warner archive.

Vintage₂

COLLECTION

The Sanderson Vintage 2 collection offers an eclectic mix of cottage florals and whimsical patterns in a marvellous explosion of joyous colour.

Captivated by the vintage vibe in the air, the Sanderson studio have delved into the archive to create a collection of favourite patterns from the early to mid-20th century, bringing them back to life so that they can be used in fresh and original ways in contemporary interiors.
